HACCP International Pty Ltd certifies the above products as food-safe and appropriate for use in food facilities that operate a HACCP based Food Safety Programme.

All such equipment is to be specified, configured, installed, calibrated, operated and cleaned in accordance with the manufacturer's instructions and recommendations.

Licence Commencement	1 January 2020
Certificate Issue Date	2 January 2020

HACCP International's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based food safety programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

Licence Agreement

CAREL Industries SpA is licensed to use the HACCP International certification mark, in accordance with HACCP International's Certification Trade Mark Rules and Conditions in all regions for a period of 24 months from the licence commencement date. CAREL Industries SpA is in receipt of the HACCP International Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
